Sir:

SUBMISSION OF NEW DECLARATION FOR ASSIGNED PATENT APPLICATION

Submitted herewith for filing is a new Declaration in response to the Examiner's Amendment accompanying the Notice of Allowance issued May 22, 2007 in the above-identified application. This document replaces the former declaration which was found defective by the Examiner.

The new declaration was executed by the Sole Inventor and is believed to properly state acknowledgement of his duty to disclose to the USPTO all information which is material to patentability as defined in 37 CFR 1.56.

If the accompanying document is found not to overcome the objections of the Office, the Examiner is invited to telephone the undersigned attorney.

The Commissioner is hereby authorized to charge any additional fees under 37 C.F.R. 1.16 and 1.17 which may be required by this paper, or to credit any overpayment, to Deposit Account No. 50-1287. Applicant hereby provides a general request for any extension of time which may be required at any time during the prosecution of the application.

The Commissioner is also authorized to charge any fees which have not been previously paid for by check and which are required during the prosecution of this application to Deposit Account No. 50-1287. (Should Deposit Account No. 50-1287 be deficient, please charge any further deficiencies to Deposit Account No. 10-0220).

Applicant invites the Examiner to contact the undersigned via telephone with any questions or comments regarding this case.

Favorable action is respectfully requested.

Respectfully submitted,
